Webinar Week Sweepstakes

Just for fun…

10 attendees from each webinar will be randomly selected to win*:

- A Telerik Ninja T-shirt
- A $50 Gift Certificate to ThinkGeek.com

Winners we hope you'll share pics of what you get from ThinkGeek! ☺

We'll announce winners on Twitter and Facebook and you'll be notified via the email with which you registered. Good luck!

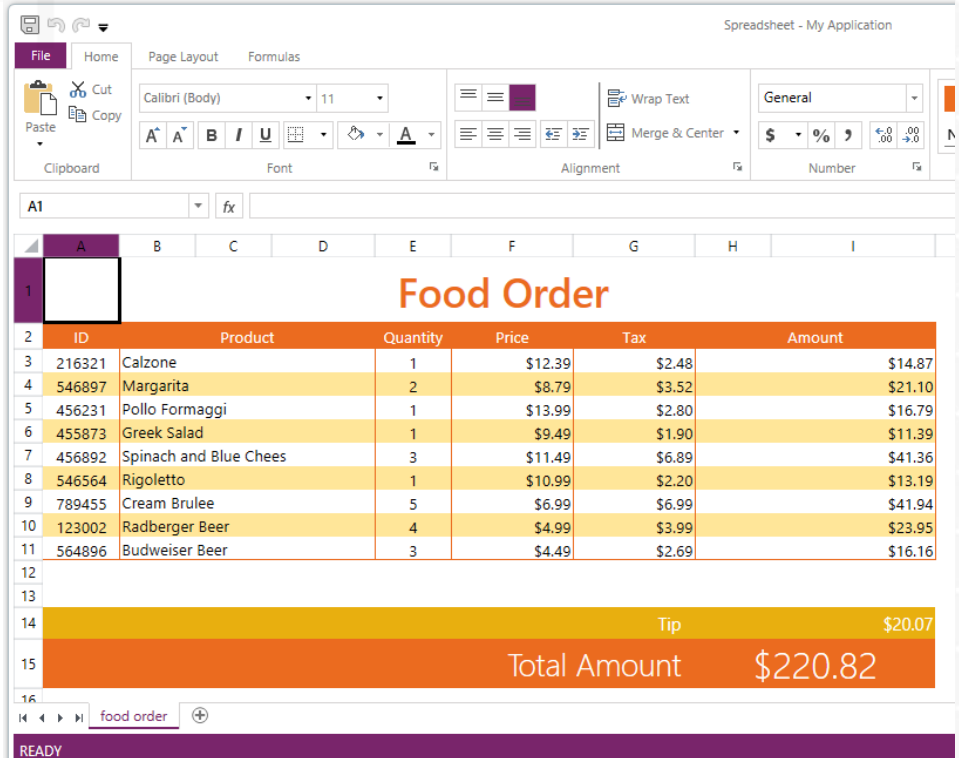
Spreadsheet (CTP)

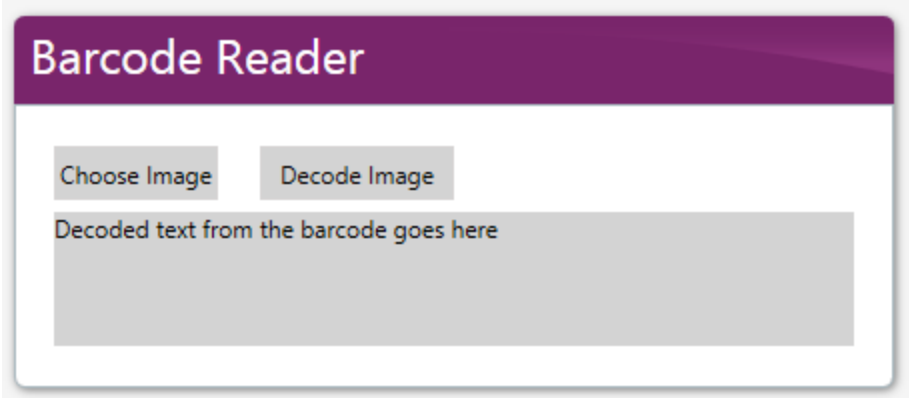
- The new Spreadsheet control will cover the most common scenarios possible in MS Excel – editing spreadsheet data and basic formulas, cell styling, xlsx format import and export, ribbon UI. The control is highly performant.



telerik
deliver more than expected

Barcode Reader (Beta)

- The new Barcode reader will be useful for reading different types of barcodes.



telerik
deliver more than expected

TileList (Beta)

- Allows you to have a Modern UI experience in your next XAML application.
